SECOND TERM 2023

FRIDAY 015 JULY ( WEEK 10)

## Introduction

Greetings to you our dear parents and guardians. We hope you had a wonderful week. It is our pleasure to inform you that midyear examinations started smoothly on Monday and we are optimistic that all students will produce good results after sitting for their examinations. Examinations will end on the 25th of July and lessons will resume in order to cover more ground before the elections.

We are happy to inform you that we purchased Three hundred and thirty-three (333) Cambridge textbooks which are now available at the library. If a learner wishes to get a book can borrow it from the library.

As a school, we are pleased to inform you that we have upgraded our computer labs and we have purchased ten (10) Hp Core i5 Desktops. We will continue to upgrade in order to make sure that learners write their examinations using compatible machines.

On fees payment, we advise all those on payment plans to come clear their fees arrears. All fees must be cleared before the term ends in order to avoid any inconveniences. We would like to thank all the supportive parents who were able to bring bond paper to the school in order to smoothly run our revision programs and print our midyear examinations.

## Sports

Once again we would want to thank parents who came over to Prince Edward to support our rugby boys. It really motivated them as they gave a sterling performance on Saturday. Our volleyball teams also represented us well when they went out to Mugurehouse. Thanks to all the staff members who accompanied our teams and the parents at large.

## Upcoming Events

22 July Interhouse Competitions

## Academics

Parents are urged to pay up the registration fees for candidates on time in order to avoid late entries.

### Rugby boys

U14 vs Prince Edwards won 5-0

U14 vs Harare West drew 5-5

U15 vs Prince Edward lost 7-12

### Volleyball Girls

U20 vs St Ignatius won 2-0

As we are in our exam week, we have shelved this week's fixtures until further notice except for the St John's College Volleyball Tournament to be held on Saturday at St John's College in Borrowdale. We wish them well as they represent Nattie.

## REMINDERS

*You are encouraged to start preparations for 3rd term sports i.e. Cricket, Tennis, Swimming, Basketball and Volleyball.*

*We are also going to have our Ball Games inter-house and family fun day on the 22nd of July. Parents are all invited to this shut event as we count down to end of the winter season. Parents teams will also take part against staff members so please come and enjoy the day with your children.*

**Thank You**
